The Parish Council now has a contact from there who is glad to work with us.</p> <p>With regard to the N/Plan maps, there is no intention of building houses on the west of Redbridge land. They have an aim to turn their warehouse/depot into a commercial facility for students and residents to use at lunchtime. In principle, the Parish Council is happy to support.</p> <p>YourMK update is still to be finalised. There are no major issues. Stanton School site, Oakridge Park consultation. Met with Alison Carlton, Development Officer, who pledged her support. Early plans for face-to-face engagements. Days/dates/times to be confirmed. Looking to hold in October. 	<p>LE has spoken to Diane Webber, MK Council on changes (Woodhouse Court). Parish Council don't have to write a separate policy as it's in our infill.</p> <p>With regard to planning application 18/02160/FUL, unfortunately, as the Parish Council haven't submitted the plan yet, it won't hold much weight. This shows the need to get the plan finalised. The Council have taken this through pre-app already and, in their view, have addressed the points raised. LE advises to challenge as N/Plan already allocating sites. Cllr Kennedy advised that in earlier papers it was stated that there would be 500 houses, now with this it will be well in excess. LE advised would raise concerns regarding lighting, pollution and refer to the fact there were already complaints. One other point, it was referenced that there would be a 'commercial' place. Where/what would this be? LE asked for Parish Council's permission to share the points raised with Alison Carlton to which the Council agreed.</p> <p>LE left the meeting at 8.17 pm</p>	
106/18	<p><b>Communication from Residents</b></p> <p>To review and discuss all communication from residents. (Excluding comments related to the Neighbourhood Plan which are dealt with under their own process).</p> <p><b>None</b></p>	

Meeting closed 9.05 pm
