Parish News: Neighbourhood Plan

Key Details

- The majority of The Plan was acceptable pending minor revisions of wordings. A draft of this can be found on the Parish website. If you require a hard copy, please contact the office.
- There are three policies under review before The Plan can proceed to referendum: SNP 14 Bradville North, SNP 16 Stantonbury Campus, and SNP 17 Community Hubs.
- Before progressing The Plan to Independent Examination, we want to seek the views and opinions of residents through a further limited consultation. The previous work and consultations will still be valid.
