Youth Work Packages

For young people aged 11-18 years

Did you know YMCA has been delivering award-winning youth work to children across Milton Keynes since 2021? Our Youth Work is now available to purchase as a package.

Why now?

- Funding for youth services has dropped by 81% in Milton Keynes since 2010
- Young people do not have the right support, options and opportunities to fully realise their potential, and are not getting their emotional needs met in a positive way
- We believe all young people should have access to at least one positive adult role model who is committed to their success

Why Us?

We have over 40 years experience supporting young people in the local community.

We want to mirror the great work at the YMCA campus. Last year, we supported adults into

171 jobs.
