Become a Councillor

**We currently have vacancies for Councillors in
Bradville and Oakridge Park**

By becoming a Parish Councillor you'll become someone your community looks to for help, guidance, and support. Parish Councillors are community leaders with the power to influence decisions for the benefit of the people they serve. Seeing your community change for the better, as a result of

decisions you have helped to make, is something that can give you a sense of achievement and pride.

If you would like to apply to become a Councillor in the above areas and represent your community, please contact the office on **01908 227201** or **info@stantonburyparishcouncil.org.uk** and we will advise you of what is involved and how to apply, or you can contact Milton Keynes Council directly.

PARISH RANGERS REPORT

Path Clearing

We have been out clearing some of the overgrown pathways and moss-covered pathways within the Parish. Here are few that have been done: Culberson Lane in Blue Bridge, the path through the park between Crispin Road and Kingsfold in Bradville, Hadrians Drive in Bancroft, and the redway between Shipton Hill and Bishopstone in Bradville.

Fly Tipping

Fly tipping is an issue throughout the Parish. CCTV is currently in operation in fly tipping hot spot areas. The footage captured of fly tippers is also being used by the Enforcement Team at Milton Keynes City Council to issue fines. If you have large items to dispose of, please take them to the local Household Waste Recycling Centres, or arrange for Milton Keynes City Council to collect them. Please note: there is usually a charge for this service.

Supermarket Trolleys

We have returned over 30 supermarket trolleys in the last six months. These are not only from the local supermarket, but also from supermarkets and other retailers across Milton Keynes. Please return your trolley to the designated area within the supermarket carpark when you have finished using it.

GB Spring Clean

We once again took part in the Great British Spring Clean in March. Our community litter picks covered most of the Parish within the two-week period. With the help of our available Councillors and Parish Guardians we collected over 40 bags of litter, a shower tray, and even an old BBQ! If you would like to volunteer at our next Community Litter Pick you may request to be added to our list of Parish Guardians. You may do this either by completing the online form via our website stantonbury-pc.org.uk/parish-guardians/ or by phone on **01908 227201**.

Graffiti

We have been busy removing graffiti from dog waste bins, Openreach telephone routing boxes, and many other street fixtures within the Parish. We've also reported the larger graffiti to Milton Keynes City Council which we've come across during the course of our regular foot patrols.

Dog Fouling

You may have seen lots of spray-painted marks on the grass verges recently due to the amount of dog fouling. Please clean up after your dog and place the bag in one of the bins provided or take it home and place it in your black bin.

Vandalised Dog Waste Bin

We were disappointed to find our dog waste bin destroyed by an intentional fire. The bin was located in Blue Bridge on the redway off H2 Millers Way. Work is being done to replace it. If you know anything about this incident please contact the Parish office.

INNER WHEEL'S CENTENARY CELEBRATIONS

Inner Wheel at the Heart
of the Community for 100 Years

On Wednesday 10th January 2024, it was 100 years to the day since Margarete Golding held the first meeting of Inner Wheel in Manchester. She would be amazed now to discover that she was responsible for setting up one of the largest women's organisations in the world with 120,000 members worldwide and over 9,000 in Gt Britain and Ireland!

100 years ago, membership was exclusively for Rotarian's wives and family members who met very formally wearing posh frocks and hats. Times have changed and membership is open to anyone who follows our ethos of promoting true friendship and volunteering for local and international communities.

Nowadays Inner Wheel is more relaxed and informal and comprises groups of enthusiastic and energetic women who meet regularly for fun and friendship. They still work to help the disadvantaged, both at home and overseas. They help at foodbanks, soup kitchens, charity shops, etc. within their communities and they fundraise to provide help for local hospices, women's refuges, the homeless and countless other worthwhile causes. All whilst having lots of fun.

If you would like to know more, why not go along and see what women get up to in Inner Wheel? Perhaps you just want to make new friends or to widen your circle of friends? Whatever the reason you have nothing to lose and may just love it, as 9,000 women in Britain do!

To find out more please visit: innerwheeldistrict26.co.uk
