Parish Councillors are volunteers and they do not get paid. The payment of Councillors' Allowances is subject to a statutory process which involves a local independent remuneration panel set up by Milton Keynes Council, whose role is to make recommendations as to the level of the various allowances that a Parish Council can pay. The allowance although it is not a salary is treated by HMRC as taxable income and is processed on the Parish Councils payroll software. It is a figure which is calculated to cover the expenses which are normally associated with the basic duties of being a Councillor.
